About LegalShield

Founded in 1972 in Ada, Oklahoma, LegalShield is a leading provider of legal plans and identity-theft solutions to families and small businesses across the U.S. and Canada. Before changing its name to LegalShield in 2011, the company was known as Pre-Paid Legal Services, Inc. Today LegalShield is owned by MidOcean Partners, a New York-based private equity firm.

LegalShield markets its products through two main channels: Networking and Business-to-Business. Independent sales associates share the products with individuals and small-business owners. Independent benefit brokers provide the products to corporate employees through payroll deduction.
